

CARE TIPS

Textiles are products which symbolize closeness, character, and liveliness. All Merz b. Schwanen textiles are made in a unique and traditional way of natural materials.

To enjoy your garments for a long time, please pay attention to these care tips:

-  **Please take care instructions to heart.**
-  **Low spinning only.**
Pull into shape carefully after washing.
-  **Let garment air-dry. Please don't put into a tumble dryer.**

Please use the appropriate laundry detergent: very good is our special laundry detergent based on eco-friendly natural resources.

If you decide to use another laundry detergent, we recommend the use of color detergent, even for the white and nature-colored fabrics. For environmental and skin-friendly reasons we don't use any bleaching or optical whites. The bleach and optical brightener used in heavy-duty detergent may reduce color brilliance and may also change the nuances of our white and natural tones. We wish you long-lasting pleasure in your Merz b. Schwanen garments!
